### EVENT DAY

- Label all items including your wetsuit, helmet and bag PRIOR to arriving on event morning.
- Number Writing - Race Number from E-Ticket to be written on the outside of your right arm category letter (found on info board) goes on the back of your left calf (this is so you can tell who is in the same category as you out on course. There will NOT be the ability to do this at the event site. You WILL be able to start if you have forgotten but we encourage you to perform this at home.
- Collect your Race Kit (Saturday OR Sunday, Check Timetable)
- Security Wristband - Attach to either wrist.
- Parents Wristband - Make sure Mum or Dad have their wristband on too. That way they can go in to the bike compound with you before the race.
- Helmet Sticker - Attach to RIGHT-HAND SIDE of helmet.
- Bike Security Sticker - Attach the sticker to the handlebars/head stem of your bike.
- Bike Compound Entry - Proceed to the bike compound entry. Helmet must also be on and secured.
- Bike Rack - There will be a bike rack space clearly marked with your race number and your name on it. If your name does not appear on the sticker, please do not rack your bike in this space; see a transition marshal for assistance. Saturday Late Entries will find their bike rack on the end row, marked "Late Entries" (or blank).
- Arrange gear on the rightside of the bike.
- Bag Compound - There will be a fenced off area managed by volunteers near the bike compound for any large bags. Your race number will be written on a tag which will be attached to your bag. We strongly recommend that no valuables are left in this area and you name all your belongings.
